F2 Wash

FOULING FREEDOM

Product Features

Description
F2 Wash is a cleaner and refresher for the surface of F2 EcoHull Top Coat. It removes salt, dirt and light biofilm and refreshes the water-repellent surface. Particularly suited for haul-out.

Recommended Use
For routine washdowns and at haul-out.

- Cleans and refreshes in one step
- For F2 EcoHull Top Coat and adjacent marine substrates when used as described

Product Safety

Safety Precautions
Use the product in accordance with this datasheet, the safety data sheet and the information on the label. Wear protective gloves and safety glasses. National occupational health and safety regulations must be observed. Safety data sheet: f2eco.eu/downloads

Product Data

Composition
Blend of surfactants

Pack size
1 L

F2 Wash

FOULING FREEDOM

Application

Application Steps

- **Application:** Apply undiluted with a foam lance to create a thick blanket of foam.
- **Agitation:** Work the surface with a soft brush to loosen residues.
- **Dwell time:** Leave to act for about 2 minutes. The product must not dry on the surface.
- **Rinse:** Rinse thoroughly with fresh water.

Application Hints

- On warm or windy days, pre-spray the surfaces with cold water before application so that the product does not dry too early.
- Always test on a small area first.
- Do not mix with other cleaners.

Storage and Disposal

Storage Conditions

Store closed, frost-free and protected from heat and direct sunlight.

Shelf Life

Unopened containers: 24 months

Disposal

Excess material and empty containers must be disposed of in accordance with the applicable regulations.

This datasheet applies in the version stated above to the product supplied. The version valid at the time of the order is decisive. It describes the product and its application and does not replace the complete instructions at f2eco.eu. If the documents differ, the following order applies: 1. our written information on the individual project, 2. the instructions, 3. this datasheet. Label and safety data sheet must also be observed.

Substrate, preparatory work, application and conditions of use are beyond our control. Application that deviates from the instructions and the datasheet is not intended use. Damage resulting from it is not a defect of the product. The information in this datasheet is not a guarantee. Delivery, statutory warranty and liability are governed by the General Terms and Conditions of F2 ECO Trading GmbH (f2eco.eu).
