

# OPTIPROP - F2 PREPARATION FLUID

Conforms to 93/112/EEC and ISO.11014-1

## HEALTH & SAFETY DATA SHEET

### 1. Identification

Product name: Preparation Fluid  
Application: Surface preparation fluid.  
Supplier: Ocean Coatings Ltd, NetPark Plexus, Sedgefield, Co Durham TS21 3FD, UK  
Tel: +44 (0) 20 7305 5060

### 2. Composition

Ethanol	CAS 64-17-5	50-100%
Ethyl (S)-2-hydroxypropionate	CAS 687-47-8	10-25%
Monopropylene glycol methyl ether	CAS 107-98-2	5-10%
Methanol	CAS 67-56-1	0-2.5%

### 3. Hazard Identification

Hazard labelling pursuant to EC Regulation 1272/2008 (CLP)

#### Label elements

Signal Word: Warning

#### Hazard Statements

H318 Causes serious eye irritation.

#### Precautionary Statements

IF ON SKIN: Take off immediately all contaminated clothing. Rinse skin with water/shower.

IF IN EYES: Rinse cautiously with water for several minutes. Continue rinsing.

Dispose of contents/container in accordance with local regulations

Wear protective gloves/protective clothing/eye protection/face protection

### 4. First Aid Measures

Eye contact	Wash well with water for at least 15 minutes. If irritation persists seek medical advice
Skin contact	Wash off with soap water. If discomfort continues seek medical advice.
Inhalation	Move into fresh air and keep at rest. Get medical attention if discomfort continues.
Swallowing	Immediately rinse mouth and provide fresh air. Do not induce vomiting. Get medical attention immediately.

### 5. Fire Fighting Measures

#### Extinguishing media

Water spray, fog or mist. Foam, carbon dioxide or dry powder.

Do not use water jet as an extinguisher as this will spread the fire.

Hazardous combustion products: No dangerous fumes are involved in a fire situation.

Water may be used to keep fire exposed containers cool.

## 6. Accidental Release

In the event of spillage mop up bulk with vermiculite, dry sand or earth and into containers. Treat large spillage as industrial waste.

## 7. Handling and Storage

Store in sealed original containers. Do not mix with other material.

Keep away from sources of heat and prevent from freezing.

Provide good ventilation when in use

## 8. Exposure Controls/Personal Protection

Respiratory Protection      When spraying use respiratory device.

Hand protection              Use protective gloves.

Eye protection                Wear tightly fitting goggles. Avoid direct contact with eyes

Skin protection                Wear protective general work clothing

Hygienic work practices      Do not smoke in work area. Wash promptly if skin becomes contaminated.

## 9. Physical and Chemical Properties

Appearance                  As specified.

Odour                          Typical.

Flash point                  13 C

PH value at 20 C              7.5 at 20 C

Relative density              0.828 at 20C

Solubility                      Soluble in water

Viscosity                      Not specified

## 10. Stability and Reactivity

This product is stable under all normal conditions of use. Protect from freezing.

Avoid excessive heat for long periods.

## 11. Toxicological Information

Inhalation                      No dangerous fumes evolved

Skin contact                  May cause sensitisation by skin contact.

Eye contact                    Causes serious eye damage.

Ingestion                      May cause discomfort if swallowed.

## 12. Ecological Information

This product is not known to cause any adverse environmental effects when used according to the instructions.

## 13. Disposal Considerations

Dispose of any bulk material as industrial waste according to local authority waste regulations.

## 14. Transport Information

Not regulated for transport complies with minimum packing quantity

### Environmental hazards

ADR / RID                      NO

IMDG:                          NO

IATA: NO

### **15. Regulatory Information**

This product has been classified and marked in accordance with directives on hazardous materials.

### **16. Other Information**

For additional information regarding this product see the product data sheet and label or contact the supplier.
